

Getting Started

The CDISC Wiki is a collaborative tool to share information relevant to the development and use of clinical research data standards. WIKI is built on [Confluence](#).

Volunteer Today

If you would like to become a volunteer, please go to our main site, create an account and/or login and complete the form at <https://www.cdisc.org/form/volunteer-cdisc>. Our volunteer coordinator will be in contact with you via email with next instructions. **Thanks for Volunteering!**

If you are interested in therapeutic area standards, read [Introduction to Therapeutic Area Standards](#).

If you are looking for our main website, please go to <http://www.cdisc.org>.

CDISC Public Review

[Sign Up](#) for WIKI/JIRA (or [login](#) if you already have an account) to get access to documents undergoing Public Review in CDISC WIKI and comment in CDISC JIRA. Instructions for providing feedback are provided on the landing page for each document. **You only need one account to access both WIKI and JIRA.**

Current Public Reviews:

- [Clostridium Difficile Associated Diarrhea \(CDAD\) v1.0 Fecal Microbiota Transplant \(FMT\) Example](#) - Comments due by: 15 February 2019
 - [Blue Ribbon Commission Insights](#) - Comments due by: 4 March 2019
 - [Japanese ADaM Summary Document v2.0](#) - Comments due by: 5 March 2019
 - [CDASH Model v1.0 Japanese Translation](#) - Comments due by: 8 March 2019
-

CDISC Collaborative Projects:

These are publicly accessible project pages

- [CDISC Dataset-XML Resources](#)
- [CDISC XML Stylesheet Library](#)

CDISC Supplements

- [CDISC Known Issues and Errata](#)

All content on this Wiki is non-binding and any individual opinions expressed should not be considered indicative of the policies or positions of CDISC or any other organization.
