Thank you for reviewing the Chinese Translation of CDASHIG v2.0 & CDASH Model v1.0. Please enter your comments in the Wiki pages.

You will need to log in or register for the CDISC Wiki to provide comments. Wiki and JIRA share the same login. Please create only one account to be used for both. If you had an account before and do not remember your password, click https://wiki.cdisc.org/forgotuserpassword.action

If you have no edits or comments to a page:

Click ‘Like’ at the bottom of the page. This will help us determine which pages have been reviewed.

To add comments using the Wiki:

1. Select a string of text of at least five words on which you would like to comment.
2. After a moment, this icon will appear:
3. From the icon, click the arrow on the right to create an issue. The following box will appear:
4. Select Project and choose “Chinese Translation” and select ‘Issue Type’ and choose “Review Comments” from the drop-down menu.
5. Select Component and choose “CDASHIG v2.0” or “CDASH Model v1.0”.
6. Enter your comments in the Description field.
7. Click the “Create” button to submit your comment as an issue.
8. The page should automatically update with your comment inserted in place.
