

This is the landing page for the TAUG-Crohn's Disease - Work Package 2 Modules.

The Crohn's Disease Project Team are piloting the use of *Biomedical Concept Modules* and therefore Crohn's Disease content is not in the usual TAUG structure.

What would you like to do?

- **Read the TAUG-Crohn's Disease - Work Package 2 Modules**

- [Crohn's WP2 Modules](#)
- [Draft Standards of Interest to TAUG-Crohn's Disease - WP2](#)

- **Look at examples**

- [Examples](#) — This is where all examples used in the TAUG-Crohn's Disease - Work Package 2 Modules live.

Note: Readers are recommended to use this directory only *after* reading the Crohn's Disease - Work Package 2 Modules in their entirety at least once.

- **Provide feedback**

- [Instructions for Reviewers](#) — This is where to find detailed instructions for how to use JIRA to provide feedback on the TAUG-Crohn's Disease - Work Package 2 Modules.

- Other resources you may find helpful:

- [Introduction to Therapeutic Area Standards](#) — This provides an overview of what to expect, and what *not* to expect, from a therapeutic area user guide.
- [TA001 - Overview of Therapeutic Area User Guides](#) — This is a free introductory course on therapeutic area standards on the CDISC training campus.
- [Reading on the Wiki](#) — This page touches on some of the ways the Wiki edition of the TAUG-Crohn's Disease - Work Package 2 Modules has been optimized for web use, with which a reader new to the CDISC Wiki may be unfamiliar.

Comments on the TAUG-Crohn's Disease - Work Package 2 Modules should be entered into JIRA at: <https://jira.cdisc.org/projects/CROHNS/>. For more details, see the [Instructions for Reviewers](#).
