

The scheduled Agenda was

**1) Presentation from Anja Kreis (Abbvie) about the Abbvie-way of creating the annotated CRF via an automated process by using the metadata from the eCRF metadata repository**

**2) Live Demo and Discussion of Version 1.0 of the "Annotated CRF Guideline" by the aCRF Subteam. (Presenters: Stefanie Sturm and Markus Stoll)**

Version 1.0 of the document is available in this wiki @ [Annotated CRF Guideline v1.0](#)
