Next F-2-F Meeting of the German speaking User Network...

Share: ...

Location: ...

Registration:

Without Google Account:

If you want to register for the group, please send an email to: cdisc-deun-register[at]markus-stoll.de

With Google Account:

please sign in under https://groups.google.com/g/cdisc-deun/ and click on the register button next to the group name.

(Please note that the default language used for all communication in the group is german)

Note:

- The list does not share emails with other members. You must be a member of the list to send to it and the list will send the email to all other members. Only members of the list can send to the list
- Users with new/changed email contacts would ideally first unsubscribe and then simply register with the new email address.
- Registration of multiple email addresses per user is possible, simply register each email address separately.
